Geisenheim, February 2024

Suitability of products and packaging for wine products

Dear Sir or Madam

We confirm with this letter that the products supplied to you, are suitable for use in the food sector for their intended, specified purpose of application and according to our recommendations and that they comply with current legal quality requirements of the European Union valid for the recommended field and scope of application.

In addition we confirm the absence of contaminants referred to Regulation (EC) No. 2023/915 and absence of irradiation treatment.

The packaging of our products were equally chosen according to the criteria of the application purpose they must fulfil and are in accordance with the relevant legal regulations for articles and materials which come into contact with foodstuffs (likewise in accordance with Regulation (EC) No. 1935/2004 of the European Parliament and of the Council relating to materials and articles intended to come into contact with foodstuffs and in accordance with Commission Regulation (EU) No. 10/2011 on plastic materials and articles intended to come into contact with food).

Best regards

ERBSLÖH Geisenheim GmbH
